YOUR LEADING SOURCE FOR PITTMAN MOTORS, PITTMAN DC MOTORS & PITTMAN GEARMOTORS

Servo Components offers automation products such as servo control systems, brushless dc motors, ac motors, brushless slotless motors, ac servo motors, dc servo motors, servo amplifiers, step motor controls, incremental encoders, photoelectric sensors, proximity sensors, capacitive sensors, ultrasonic level sensors and fiber optic sensors.

We take a common sense approach to buying automation products - from getting pricing, delivery, and specifications to matching compatible products (i.e. amplifiers, controllers, sensors, motors and drives) and making it easy to find them. Shopping (and buying) made easy!
